#### General Camp instructions - see contract for full details:

Sky Camp is a “bring your own” camp—you bring bedding, sleeping bags, towels, and your own food to prepare in the kitchen. We provide pots, pans, most cooking utensils/plates, etc. All cleaning and bathroom supplies are provided. At the end of your stay—all cabins, kitchen, restrooms, etc., will be cleaned by the camp users. **No alcohol, smoking or fireworks.** Firewood brought in for pit use must be from Lane County only (no foreign wood please) and fires will be allowed only during approved fire burning season (subject to local jurisdiction).
